I don't understand why Morrowseer gets so much hate...

lynxchasing139

He is a VERY LIKABLE VILLIAN.
It may not seem like it, but, he was actually doing something NICE.
SAVING
HIS
TRIBE
FROM
EXTINCTION
BY
MOLTEN
LAVA.
He just didn't want his tribe to die out! It may have not been a nice thing to do in the Dragonets eyes, but, it was a very nice thing to do, if you thing about it.
MORROWSEER DOES NOT DESERVE ALL THAT HATE.

Actually, Tsunami, he said Tsunami had potantial. And Blister said she had the potential to 'be a pain in her rear'. Thus, *Blister* wanted Tsunami dead, not Morrowseer.

I woud classify Morrowseer as a "Love to hate" if you read Warriors by Erin Hunter he is kind of like Sol. A very imposing, intellegent character who is evil. Morrowseer really is evil. But he is such a good evil character that everyone (almost) hates him in a good way. Sorry, that was kind of rambly.

He does care about them, and I'm quoting the new Ninja Turtles movie here...

"I yell at you, push you guys past your limits, and everything else I've done that was bad to guys... I did it because I was scared! Every time I talked about backing out, or quitting, it was because I was scared! I don't even think I'm worthy to stand next to you and call you guys my brothers!"
-Rahpael. ((or something like that.))

Morrowseer, honestly, didn't want Sunny in his prophecy. He thought that she would mess it up.
He didn't really know Sunny would be that upset. He knew it would upset her, but not that bad.

Part of the reason for me was that his plan would have involved killing most of the rainwing tribe, instead of just looking for an unoccupied area. Not necessarily that nice.

What about the forest near Claws Of The Clouds Mountain and Diamond Spray River? MudWings live in the swamp or Diamond Spray Delta and the SkyWings prefer the mountain peaks and eats birds (mentione in MR) they could live THERE.

MudWings DO rome around in the Diamond Spray River at times, and the NightWings wouldn't want to be caught.
And Claws Of The Clouds Mountains and Diamond Spray River are too close to popualtion.
NO ONE EVER enters too deep into the Rainforest, except the RainWings.

TRUETRUE that would solve their problems but if they moved their instead of making The Dragonet Prophecy the war wouldn't have been stopped by Clay, Tsunami, Glory Starflight, and Sunny because they wouldn't have grown up together. None of the ships would exist. Sunny would be an outclaw, Starflight would be experiementing with Mastermind and fighting with Fierceteeth, Glory would be a lazy RainWing, Tsunami would be DEAD and clay would be raising his sibs

The reason I don't really like Morrowseer is because he wanted Glory dead. Glory is awesomesauce! And he made Clay and Tsunami risk their lives and then made them get captured by Scarlet and yada yada... but without him wanting Glory dead, the entire series would have been completely different, so he is kkind of a vital character to the books

I swear I wanna curse Morrowseer.

He tried to kill Tsunami underneath the mountain.
He flew away with only Starflight in the Skywing kingdom.
He faked the dragonet prophecy.

He despises the dragonets and only sees the bad things that they do like Kestrel, Webs, and Dune.
He gives orders to Starflight to commit treason against the other dragonets.

What is WRONG with him!!!

One, He said that 'Tsunami had some potential' and, he attacked her to test her skills.
Two, he flew away with only Starflight, so that he could talk him into choosing Blister.
Three, it wasn't only him that faked the prophecy. It was all the NightWings.
Four, he just wanted the dragonets to be perfect.
Five, again, he wanted the dragonets to choose Blister.

You have to think, any dragon could do what Morrowseer did. It was the Nightwings that made him this way and told him to do this. He must of felt some regret that the dragonets were forced into this, but he had to do it. And as somebody else said, Clay might of died in the war, Glory would be lazy, Starflight would be underfed and probably bullied, Sunny would be an outclaw, and Tsunami would be DEAD. THAT would be HORRIBLE.
